... Commissioner of the Bhagpore Division submitted for sanction the following draft rule framed by the District Board of Monghyr under Section 32 (g) of the Bengal Local Self-Government Act—“The District Engineer and all other officers dealing with money in the Board's service will be transferred or will be compelled to take at least three months' leave after seven years' continuous service.” He was asked to reply that as District Engineers were not usually transferred, the draft rule framed by the District Board did not appear applicable to them, and he was asked to report whether the Board would accept the suggestion to split up the draft rule in the following manner:— “(1) The District Engineer will be compelled to take at least three months' leave after seven years' continuous service. (2) All other officers in the service of the District Board dealing with money will be transferred or will be compelled to take at least three months' leave after seven years' continuous service.”
