KHAS MANAGEMENT —Nuddea, Pergunnahs Prawupore and Sarroopore. Collector reported that a very small portion of the pergunnahs was farmed out last year (1901), and that the whole of the leases expired with the past year, excepting two meahls in pergunnah Prawupore, and proposed to hold the pergunnahs khas with the view of ascertaining their actual produce. LEASE, CANCELMENT OF —Nuddea. Turruf Aundalberrea. Collector reported that the turruf was given to Cassocram Roy in 1190 B.S. by the zemindar of Rajshahye as a dependant talook in perpetuity at the annual jumma of Rs. 2,552-11-8, the mofussil jumma being Rs. 3,000-3-3, and recommended cancellation of the lease, as, by the regulations, no zemindar is entitled to dispose of a dependant talook for a term exceeding ten years. Board considered that no advantage would be gained from rescinding the lease, provided the gross mofussil produce would not ultimately appear to exceed what is stated by him. ...	17th July	12-14

Collector proposed to allow Rs. 4,800 per annum to Rajah Bahadoor Sing for the maintenance of himself and his family, and reported that Bahadoor Sing has instituted a suit against Chyten Sing in the Dewanny Adawlut for an allowance of Rs. 27,000. Board submitted the question to Government with the recommendation that Government should take upon itself the payment of the allowance to be fixed by it, instead of granting deduction to Rajah Chyten Sing from his jumma for the purpose. Government observed that the whole of the Bishenpore zemindary having been adjudged to Chyten Sing by a decree of the Sudder Dewanny Adawlut, and the 73rd section of the 8th Regulation of 1793 having abolished all separate allowances to the families and relatives of zemindars, it does not see how any separate allowance can be paid to the heirs and relatives of the late Damoodar Sing. Government also observed that considering the present condition of the estate, the allowance of Rs. 19,717 granted to Rajah Chyten Sing, added to the private lands in the possession of the different members of the family, is all that can with propriety be allowed for the maintenance of the zemindars, and it remains with Rajah Chyten Sing to make a due provision for the family of the late Damoodar Sing and his own relatives. NANCAR LANDS —Hidgollee. Enquiry made by Agent whether, under 39th article of Regulation VIII of 1793, Ranees Sagoondah and the other zemindars, who have declined from engaging for the revenue of their zemindaries, are still entitled to hold their— Board's opinion that the zemindars not being disqualified by sex, are, from the circumstance of their having been uniformly allowed to keep possession of their nancar lands when their zemindaries were held khas or let in farm, entitled to retain management of them under Regulation VIII of 1793 in the manner therein stated. With respect to Ranees Sagoondah, Board, considering her reported capacity to manage her own estate, and the circumstances of her having during the past 15 years uninterruptedly held possession of her nancar lands, whilst her zemindary continued under the management of officers of Government; and from the further consideration of the peculiar circumstances under which her estate in common with the other zemindaries of the Salt Districts has been retained under khas management, recommended to Government to allow her to retain charge of her nancar lands under Regulation VIII of 1793. Government concurred with Board in opinion, and approved their instructions to Agent that in case the net produce of nancar lands of the several zemindars exceeds the amount of the moshairah receivable by them, the difference should be considered as forming a part payment of the ready money compensation receivable by them from the Salt Department, and will be deducted therefrom, and be carried to the credit of Government as receipts on account of land revenue.
