27th Feb. 38

Board observing the heavy balances outstanding against mehals under the management of sarbarkars and sazawals, informed Collector that he should pay the greatest attention to the conduct of these officers, and that as the Bengal year is now drawing to a close he should submit their accounts as soon as the year expires, with full explanation of the balances which may be then outstanding.

Board expressed their hope that the Collector is taking the necessary measures for recovery of balances still due from the late proprietors in such cases as the sale proceeds have proved insufficient for the discharge of the demand of Government.
