Competency of an Assistant Collector in charge of a Collectorate to preside at sales in satisfaction of decrees of Court or for arrears of revenue on the occasion of a Collector being absent from his sudder Station. Commissioner referred to clause 3, section 8, Regulation IV of 1821 ...	12th March	23-24
—, Sales for recovery of arrears of revenue and in satisfaction of decrees of Court. Board observed that the expediency of selling fractional parts of mehals, or of specific portions of land instead of entire estates for recovery of arrears of revenue has frequently attracted the attention of Government and the controlling revenue authorities, and that after careful examination of the question and lengthened discussion on the subject, it has been generally admitted that the practice of selling entire estates is open to less serious objections than those which offer themselves to the practice of selling either fractional parts of estates or specific portions of land ...	13th July	41-43
