Postponement of— Jessore. Madhobee Dasse, mother of Womesh Chunder Ghose, versus Collector of Jessore and others. Communication from Government Solicitor accompanied by a copy of an English minute of proceedings held by the three Judges of the Sudder Dewany Adawlut declaring the—of mouzahs Choenuggur, Bhatparrah, Gopeenathpore, &c., to be illegal, as the estates were purchased not only in <i>benames</i> for a trifling balance of revenue, but were purchased by the Treasurers of the Collectorate in contravention to section 20, Regulation XI of 1822, and was therefore liable to confiscation under the law. The present purchasers in order to avoid the penalty of confiscation intend to withhold the Government revenue due from the estate and cause it to be sold on the 28th December 1844, and then to purchase it under some fictitious name, taking advantage of the relaxed state of the present law in regard to benamie purchaser. Suggests that in order to frustrate their contemplated fraudulent design, the Collector of Jessore be at once instructed to postpone the—to the ensuing quarter, and, in the meantime, the intention of Government be known in regard to the disposal of the estate.
