Report from ameen that he has attached maunds 108-10 of salt belonging to Ramkissub Roy, on finding that quantity in one lot of his salt, when the balance by account ought to have been maunds 34-10, and that there is in a different part of the same golah belonging to the same man 8,390 maunds of salt which with the golah ought to be attached. Ameen informed that the 8,390 maunds of salt are not liable to seizure, as it happens that salt belonging to different merchants or of different importations is lodged in the same golah, and that as there is no positive evidence that the surplus maunds 108-10 of salt is illicit, it should be released ...					19th Oct.	10 & 45

WEIGHMENT OF SALT —Naraingunge. Ameen informed that in case of his having positive information of there being smuggled salt in any parti- cular boats or golahs, it would be proper to have such salt weighed with a view of detecting the fraud; but that to weigh all the salt landed at the gunge would be subjecting the Company to an expense and the merchants to so much hardship, that the bare suspicion of there being illicit salt would not warrant the measure; that he must therefore be content with measuring the salt in the best manner the same can be done ...	28th Sept.	16
