INDIGO—		
Calcutta Custom House. Request of Commander of Company's vessel <i>Preston</i> to ship 30 tons of extra—agreeably to the orders of Court of Directors, complied with	22d Aug.	1-2
Moradabad Custom House. Collector's reference whether—manufactured in the Ceded or Conquered Provinces after being assessed with the established export duty at a Custom House in those provinces be liable under clause IX, section XV of Regulation XI of 1804, to payment of a further export duty on passing through Moradabad into the territory of a foreign state, or whether the collection of such further export duty on the indigo is prohibited by section XVIII of that Regulation. Board's opinion that the term "further" introduced in the concluding part of clause IX, section XV of Regulation XI of 1804, is only applicable to indigo imported into those provinces, and indigo manufactured within those provinces is therefore considered to be liable by Regulation XI of 1804 to assessment of more than one duty, the collection of which duty at the same rate to which under the clause in question the article would have been subject on exportation from those provinces is fully provided for by section XVIII of that Regulation	24th Nov.	23-24

COMPENSATION—				
Ceded Provinces. Board's instruction to Collector of Customs at Farrakabad for payment of—to several salt merchants on account of losses sustained by them on such of their salt purchases at the last public sale which remained unsold at the period of issuing the publication which notified the abolition of salt monopoly in those provinces	18th Dec.	36-38		
Cuttack Province. Board of opinion that zemindars should be protected in their rights equally with Molunghees, and that for any customary source of revenue authorized by the Mahratta Government, of which the former may be deprived, an adequate—should be secured to them	27th Dec.	41-50		
Hidgellee Agency. Promised by late agent to farmers of pergunnahs Paharpore, Dantearrai and Narooamootah in chuckla Hidgellee for the present year, in lieu of revenues said to have been derived by them from the junglekur and julkur mehals within their respective farms by collections made from the Molunghees of Pattaspore, &c., aurguns lately separated from Mahratta district and annexed to the Agency, sanctioned by Government, with the intimation that their claims to—will, on no account be admitted in future years as a charge on the Hon'ble Company, but that should they be able to establish a clear title to the revenues stated to have been derived by them from those mehals, they will either be permitted themselves to collect it, or it will be collected for them from the Molunghees	25th Sept. 23rd Oct.	18-22 8		
CONFISCATION OF SALT—				
Cuttack Agency. Board reported to Government that the 113 bullocks and 200 maunds of salt, the property of Meechoo Jannah, attached by agency officers are liable to confiscation under sections IX and X of Regulation VI of 1801; but in consideration of the reasons urged by Agent in favour of the mitigation of the penalty, they (Board) are inclined to recommend that they be authorized in the present instance to confiscate the excess only of the salt which the merchants attempted to smuggle. Government approved Board's recommendation	7th Aug. 28th Aug.	67-69 10		
Eastern Chowkies. Proceedings held by Superintendent regarding attachment of seven baskets of contraband salt by the Mohurir of Kidderpore Patrol. Board's orders directing to confiscate the salt, and to hold in deposit Rs. 7 said to have been given by the smugglers as a bribe for release of the salt, communicated to Superintendent	25th Sept. 11th Dec.	56 26-31		
CONFISCATED SALT—				
Western Chowkies. Delivery of 3,166 maunds of—of Kristo Panty into the Sulkeah Golahs without weighing it, considered by Board objectionable. Superintendent informed that, it was his duty to cause the salt in question to be regularly weighed and entered into the accounts of the golahs, and that as he has offered to be responsible for the full quantity of 3,166 maunds delivered into the golahs, the Board do not insist upon his reweighing the salt, but they authorize him to direct his first assistant to enter the salt into the accounts of the golahs as received	14th Aug.	B. 8-9		
Superintendent informed that orders, in all cases, are indispensably requisite to authorize his first assistant to receive—into the Sulkeah Golahs, and that he would act irregularly were he to lodge any salt of the above description into the golahs, without having previously received his orders to the effect				
COOTGUNGE CHOWKEY—Western Chowkies. Superintendent informed that the Board will hereafter offer their sentiments on the question of removing—to the confluence of Tolly's Nullah with the River Hooghly	4th Dec.	40-41

DUTY—concluded.		
Ceded Provinces. Board reported to Government that by section 2 of Regulation VII of 1804, a—of 12 annas per maund of 80 sicca weight to the seer is ordered to be levied on all elementary salt produced within those Provinces, on the right bank of the Jumna and imported into those Provinces, situated within the Doab, and that the duty proposed to be paid by merchants for the Salumba salt in store at Nho is at the rate of 12 annas per maund of 96 sicca weight. If this difference in the weight of maunds be considered to be inadmissible, Board suggested to Government that Mr. Batheist, Collector of Customs, Farrakabad, should be authorized to adjust with the merchants a modification of their proposals, fixing the standard at 80 sicca weight instead of 96, and reducing the price of the salt proportionately	21st Aug.	40-22
Board before offering their opinion on the different proposition of Collector of Customs, Farrakabad, of altering the present rates of—on salt, and also the weight of the maund from 80 sicca to 96 sicca Rupees on which duty should be levied in future, suggested to Government that the several Collectors of Customs in these Provinces be called upon to offer their opinion whether, with reference to the convenience and satisfaction of the merchants and others trading in salt, the present rates of duty of 12 annas per maund on importation and four annas on exportation as authorized by Regulation VII of 1804 should continue to be levied equally on salt of all description, or whether a higher duty of one Rupee, or any other rate per maund should be levied on the superior salt such as <i>lakorie</i> and <i>saumur</i> or a lower duty of ten annas, or any other rate per maund on inferior salt such as <i>salumba</i> , <i>balumba</i> , and whether the duties should continue to be levied on maund of 80 sicca weight to the seer as prescribed by the existing regulation, or be in future levied on the maunds of 96 sicca weight	18th Dec.	34-35
Board reported to Government that they will hereafter submit information relative to the duties levied on the importation of salt from those Provinces into Benares	18th Dec.	34-35
Cuttack Province. Board suggested to Government that instructions may be given to Magistrate of Cuttack to adopt necessary measures for preventing the Rajahs, zemindars, and others for levying duties or imposts of any description on salt transported through their estates, and that a penalty at least double the amount exacted be imposed on such persons as shall be convicted of this injunction	27th Dec.	41-50

EXACTIONS, ILLEGAL—Cuttack Agency. In the event of Agent being satisfied that the practice followed by Bazee Assamees (consist of Bramins and Fakirs) of levying a kind of tax, or perquisite from molunghees at the time of weighing of their salt in shape of a small quantity of salt on every five seers, and receiving payment for the same at the rate of four annas per maund, was not authorized under former Government, the persons from whom payment of the salt in question has been withheld have no just cause to complain on that account. The price of the salt should be carried to the credit of the molunghees from whom the salt has been exacted by the Bazee Assamees	18th Dec.	45-46
EXCESS SALT—		
Western Chowkies. Explanation furnished by Mr. A. Blgrave, first Assistant to Superintendent, regarding the surplus taken at the Sulkeah Golabs to cover the loss on the salt delivered by Messrs. Colvins Bazette & Co., Agents to the late contractors of coast salt, forwarded to Messrs. Colvins Bazette & Co., with the remark, that the rate of surplus weights received by golah officers on the salt delivered by them was agreed to on their part at the time of delivery	10th July	25-26
Board observing that a much larger surplus of salt was taken at the Sulkeah Golabs on the importation of coast salt in the past season than what might have proved to be sufficient to cover the Hon'ble Company from loss by wastage, resolved that necessary measures will be adopted to prevent similar excesses of salt being taken in future by the officers of Sulkeah Golabs on the coast salt of the ensuing season—	24th July	31

PRICES OF SALT—		
Cuttaek Province. Board suggested to Government that Mr. King be authorized to grant to manufacturers for the salt which may be delivered by them in the present season such an increase to the price at present allowed to them as shall appear to him to be just and proper	27th Dec.	41-50
Proceedings held by Mr. King, Salt Agent, without authority for raising the—in every <i>aurung</i> throughout the agency, considered by Board irregular, and ought not on any account to have been carried into execution without previous sanction of Government. It was not the intention of Government that price to the consumers or exporters of salt in the province should be raised beyond what they had been accustomed to pay for that article, including all charges under the Mahratta Government, and that it was the intention of Government to increase the produce by affording fair prices and ample protection to the manufacturers and to encourage the consumption and exportation of the article by a reduction of the former—	27th Dec.	41-50
Board reported to Government that if after due enquiry an increase of price to the Molunghees shall be found necessary it should be granted, and that the prices to be paid to the Molunghees for salt manufacture should be regulated with a view to payment to zemindars of the just demand receivable by them from Molunghees, and to ensuring the latter after such payment a just and equitable compensation for their labour	27th Dec.	41-50
Board suggested to Government that Mr. King be directed to ascertain the usual selling—in the province under the late Mahratta Government, and to submit an account of those prices compared with the present selling prices established by himself for the different pergunnahs, and that the selling prices established by Mr. King continue in force until further orders	27th Dec.	41-50
