### CUSTOMS.

| SUBJECT.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           | Month and Number.      |             |
|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------|-------------|
| <b>ADJUSTMENT OF DUTIES</b> —Calcutta. Collector of Customs told to allow Messrs. Bagshaw, Barlow and Company to pass certain cases of medicines upon such security for the eventual—chargeable thereon, in the same way as consignees of goods are allowed to take away packages of small value under "Bill passes," and to substantiate their value afterwards by such documents as they may be able to furnish ...                                                                                                                                                                              | 16th March             | 23-24       |
| <b>ALLOWANCE</b> —Calcutta. Payment of an—at the rate of Rs. 350 per mensem for eight months to Mr. Chippendall while acting as Collector of Customs, previously to Mr. Lindsay's taking charge of the office, sanctioned ...                                                                                                                                                                                                                                                                                                                                                                      | 21st April<br>18th May | 7-9<br>1-2  |
| <b>ATTESTATION OF ROWANNAHS</b> —Hooghly. Directions given by the Collector to the darogahs to attest in future with their signatures all export as well as import endorsements on rowannahs for goods which may pass their respective chowkies ...                                                                                                                                                                                                                                                                                                                                                | 17th Aug.              | 30-33       |
| <b>ATTRAPFER ROWANNAHS</b> — <i>Vide</i> "Rowannahs."                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                        |             |
| <b>AUDIT OF ACCOUNTS</b> —Opinion expressed by the Board as to the necessity of subjecting the accounts of the executive officers in the Customs Department to further checks, on the ground that no security against error can apparently be more effective than that of a separate audit, approved by Government ...                                                                                                                                                                                                                                                                             | 16th Nov.              | 26          |
| <b>BOND</b> —Calcutta. Government orders directing that no separate—should be executed by the Commanders of vessels in cases where native servants may be proceeding to the United Kingdom on any private vessels clearing out from the port ...                                                                                                                                                                                                                                                                                                                                                   | 19th Jan.<br>2nd Feb.  | 23-24<br>15 |
| <b>BONDS, ADJUSTMENT OF</b> —Circular order issued by Board framing a new rule with a view to remedy the defects experienced at the Calcutta Custom House in the—received from mofussil Custom Houses ...                                                                                                                                                                                                                                                                                                                                                                                          | 14th Dec.              | 7-8         |
| <b>BOND ROWANNAHS</b> —Calcutta. Considerable inconvenience having been experienced at the—Custom House in comparing the different—with the bonds under which they may have been granted owing to the number of the bond not being inserted in the rowannahs belonging to it, Collectors of Customs of Chittagong, Dacca, Hooghly, and Moorshedabad, and the Secretaries to the Boards of Commissioners of Behar and Benares, and Ceded and Conquered Provinces directed that they will in future insert the same in some conspicuous part of the rowannah and note it on the back of the bond ... | 26th Jan.              | 2-4         |
| <b>BOOK OF RATES</b> —Circular order issued by Board directing the institution of a careful comparison between the—and the list of articles declared liable to transit duty in Regulation IX of 1810 ...                                                                                                                                                                                                                                                                                                                                                                                           | 7th Dec.               | 59-62       |
| <b>CERTIFICATES</b> —<br>Calcutta. Board's orders on a reference relative to the grant of—by the Collector of Customs on the exportation of certain Saltpetre to Bombay, the rowannahs of which have expired ...                                                                                                                                                                                                                                                                                                                                                                                   | 12th Oct.              | 26-27       |

| SUBJECT.                                                                                                                                                                                                                                                                                                                                                                                                              | Month and Number. |             |
